Activity or subject of the agreement

Hold harmless & indemnification

The second party agrees to hold harmless, defend, and indemnify the first party from and against claims, losses, and liabilities arising out of the activity or subject described above, within the scope stated, to the extent permitted by law. This agreement may be unilateral or mutual as the parties set out. Replace this placeholder with indemnity language reviewed by your attorney for your arrangement and jurisdiction.

Scope and exclusions

Both parties have read and agree to the statement above.

Signatures

Both parties sign and date. For businesses, include the signer's title.
