

Photo Consent Form

Permitted uses, duration & signature

OnlineSignatureForms.com: Free fillable template

This form records the subject's permission to be photographed and for their images to be used as described below. Replace this placeholder statement with wording reviewed by the appropriate professional for your use and jurisdiction.

Subject & permitted use

Subject name

Photographer / organization

How images may be used (marketing, social, web, print)

Duration of consent

Consent statement

I grant permission for the photographer or organization named above to take photographs of me and to use those images in the ways and for the duration stated. I understand no images will be sold to third parties without further consent, and that I may withdraw this permission in writing for future use.

I have read and agree to the statement above

Parent or guardian (for a minor)
